

IRON ACTON PARISH COUNCIL HEALTH & SAFETY POLICY

In relation to Health & Safety, Iron Acton Parish Council's aim is to take reasonable steps to avoid injury to the health or person of users of its land and facilities.

1. INSPECTIONS

The Council will:

- a. routinely carry out inspections of:
 - i. the Parish Meadows including the playground and equipment
 - ii. bus shelters owned and maintained by Iron Acton Parish Council
 - iii. trees located in the parish which are under the responsibility of Iron Acton Parish Council
 - iv. Chill Wood
 - v. Dyer's Pond
 - vi. Iron Acton Village Green
 - vii. Latteridge Village Green
 - viii. any other spaces for which Iron Acton Parish Council has responsibility
- b. aim to ensure, as far as reasonable, that the above places are safe for members of the public to visit and enjoy
- c. commission annual inspections of play equipment by a suitably qualified independent person.

2. REGULARITY

- a. Inspections shall be carried out by councillors on a regular basis.

3. ACTIONS

- a. The results of inspections will be reported to the next meeting of Iron Acton Parish Council following the inspections, or the receipt of the reports of inspections.
- b. The Parish Council will consider any risks identified in the inspection reports and determine what, if any, action should be taken to achieve 1.b. above.
